

LOUISIANA GARDEN CLUB FEDERATION, INC.
MEMBER OF NATIONAL GARDEN CLUBS, INC.

patsyhebert1968@gmail.com

I am the LGCF Membership Promotion Chairman. Enclosed are materials to assist you in forming a federated garden club and becoming a member of the Louisiana Garden Club Federation, Inc. Each one of our six districts has a Membership Mentor who will be able to assist you with this process. In addition, your District Director or any other federated garden club member may provide you with guidance and explanation of the items contained in this packet.

The information and forms in this packet are to be used by your club as it progresses through the journey to becoming a federated club. You must have a minimum of twelve members to form a club. You also need to write your Constitution and Bylaws ensuring that they are not in conflict with LGCF Bylaws.

To learn more about the scope of Louisiana Garden Club Federation, Deep South Garden Clubs, and National Garden Clubs, Inc., I encourage you to visit the following websites:

lgcfinc.org	(Louisiana Garden Club Federation, Inc.)
deepsouthgardenclubs.com	(Deep South Garden Clubs, Inc.)
gardenclub.org	(National Garden Clubs, Inc.)

I look forward to your club joining LGCF and NGC and applaud your desire to become federated. Please contact me if you have any questions about your journey.

Sincerely,

Patsy Hebert
LGCF Membership Promotion Chairman
