

How to submit a senior member to the Circle of Roses

1. Garden clubs should submit applicants who are near the age of 80 (birth date is not required)
2. Line 1 -Type (or print clearly) senior members name
Line 2 -Type (or print clearly) Garden Club Name and District in which the candidate is currently a member of.
3. Enclose 2 pictures – one when she joined the Garden Club and one that is recent. Send a quality photo copy of your original photo. Do not cut or crop your picture. (If there are more people in the photo, identify the recipient with a sticky note on the back of photo). Send a large photo instead of a small one. (Large photo can be shrunk, but a small one enlarged becomes grainy. If emailing a photo, do not compress or reduce the size of the file, the larger the file the better the picture.
4. Write a short history of her garden club activities, can include personal information such as, husband, number of children, grandchildren, great-grandchildren, church and community activities, hobbies, etc. All information will be read and, if needed, edited by chairman.
