

## DISTRICT VI SCHOOLS GRANT PROGRAM

### Objectives:

To encourage participation and reward District VI Federated Garden Clubs members that attend any of the NGC sponsored schools, which will be held in Louisiana.

District VI will fund this annual school grant program for the next two years and may be extended if the funds are available.

If no school is held during the year no grants will be awarded.

Annually two grants will be awarded for each school. Each grant will consist of half the cost of registration and can be used solely for this purpose. Grants will not cover travel, housing, or food.

Members applying to an Environmental School, Flower Show School, Gardening School and Landscape Design School in Louisiana will be eligible.

### Qualifications:

All members of District VI Federated Garden Clubs will be eligible to apply for the grant by submitting the form to the District VI Director: Vicky Fannaly, P. O. Box 23, Ponchatoula, LA 70454-0023 or emailed to vicky\_fannaly@yahoo.com. All applications must be received at least thirty (30) days prior to the start of school.

A week prior to each school the director will draw the names of two (2) applicants for this grant.

The District Director will notify grant winners. The grant is not transferable to other members and must be used at the respective school. If winner is unable to attend no funds will be disbursed.

If a member attends multiple schools they will be eligible to apply for each school. Winners cannot apply to the same school again.
