Gardening Consultants may refresh their certificates as often as every year and must refresh by the end of the 5th calendar year of the date following the last course or refresher event. Certificates expire at the end of the 5th calendar year from the date of the course or refresher event.

Master status is granted after the 4th refresher. The State GS Chairman will submit a Refresher Certificate Application requesting Master Consultant Certificates for those Consultants completing the requirements of their 4th refresher.

Emeritus status may be requested by a Master Consultant who is unable to participate as an active member. The Consultant should request this status through the State GS Chairman. The State GS Chairman recommends the Emeritus Status to the NGC GS Chairman using Emeritus Status Application Form.

Course credit may be held by a student for a period of seven (7) years. If the student fails to complete the four (4) courses successfully within this seven-year period, all credit is lost. Extension Applications may be submitted for consideration.

Consultant status is indicated in roster listing. The number indicates the year of certificate expiration without refreshing at the time of this publication. "C" denotes Consultant status.
