

LGCF Newsletter Information

Deadlines:

In an effort to get the newsletter out in a timely fashion, we need to adhere to the deadlines for submissions:

Issue	Deadline for submissions
January – Winter	December 1st
April – Spring	March 1st
July – Summer	June 1st
October- Fall	September 1st

Newsletter Submissions:

The preferred method of article submission is by email. You may attach documents and pictures to your email. The best picture format is .jpg or .jpeg, but other formats are acceptable. Please DO NOT edit, crop, or save photos in a smaller format; the higher the resolution, the better the results. Also larger pictures can easily be shrunk to the size needed in the Newsletter and they keep their sharpness, but smaller pictures sometimes get blurry when made larger, so send the large picture. If you would like to have the picture cropped, send a description of what you want included and excluded from the photo. It is best to send photos separately, NOT embedded within a document.

You may also mail pictures and articles, but they will not be returned unless a self-addressed stamped envelope is provided.
