## TUESDAY EXPERIENCE – City Tour

### Philadelphia Then & Now: *from Colonial Capital to Modern Metropolis*

The most comprehensive full-city tour, ***Philadelphia Then & Now***, is a fully guided tour by bus through four centuries of art, architecture and Philadelphia's growth to the 2nd largest city on the east coast.

Beginning before 1776, we will hear stories of the people, places and things that made Colonial Philadelphia the seat of government for the young nation and one of the largest English speaking cities in the world.

See such sites\* as the Liberty Bell, Independence Hall (ticketed interior tour), Congress Hall, First and Second Bank of the US, Betsy Ross House, Franklin's grave, Christ Church, Elfreth's Alley and the neighborhood of Society Hill. Embracing the modern day, we will visit neighborhoods where the Founding Fathers' lived and see how contemporary Philadelphians have made them their own.

Going beyond the colonial period, we will visit\* the bustling business district, Museum Mile of the Benjamin Franklin Parkway, the famous Rocky steps, Philadelphia's vibrant theater district, and much more.

Off-coach photo\* opportunities will occur throughout the tour.

*\*Number of sites visited varies by speed at which group moves and lines encountered at sites.  
Order of tour sites visited may vary from the outline.*

## WEDNESDAY EXPERIENCE – Amish Country

### Amish Artisans — A Shopping Adventure

Who doesn't like to shop? Begin the tour with a gift bag and a mini jar of jelly plus receive a "free gift" at each of the four Amish stops.

Receive a wooden toy at an Amish toymaker. Get a whoopie pie at the bake shop. Take home an Amish handmade leather craft and finish with a quilted notion from a quilt shop. Four stops, five gifts, great shopping!

Plus plenty of stories of Amish life and culture along the way.

### Amish Country Homestead & One-Room School

Lancaster County's only officially designated *Heritage Site* Amish House. The scenic country setting, completely surrounded by Amish farms, is but one reason why the Homestead is the only Heritage Site Amish house tour. This prestigious distinction has been earned for its ... **Authenticity** – the "lived-in" look of the house as you walk through nine rooms, including a one-room school ... and its **Interpretation** – Your guide answers the 'how and why' questions that baffle visitors (and locals). Why do the Amish dress so plainly? How do they power their appliances? Why don't they have churches? Oh, and yes, you'll just love all the marble rollers.
